Field Day 2016

[[Field Day Flyer – Volunteer Sign up.pdf](#)]

We are excited to announce that Field Day will be May 18 and will include all the students in the school. The day will be split up into two parts with half the day enjoying Field Day and the other half enjoying an inside activity in both gyms. Field day will include 10 fun activity based stations for classes and teachers to enjoy together. Stations will include tug of war, relays, marathon, teacher sled pull and more. There will be two sessions throughout the day, the A.M. Session will include KG, 1st, and 2nd grade students while the P.M Session will include 3rd, 4th, 5th grade students. Students should wear comfortable clothes, tennis shoes and bring bottled water. Each class will be assigned a color and, if able, students should wear a shirt of that color. A bagged lunch will also be needed as the students will be eating outside. Buyers will be provided with a bagged lunch from the cafeteria.

This event will need many volunteers to help run the stations. If you are interested in helping please fill out and return the volunteer slip on the Parent letter coming home the week of April 11. Along with this flyer will also be the classroom t-shirt color assignments. Each classroom will have a designated color to wear to separate them from other classes in their grade level. Please note that May 20 is the rain date should we need to cancel. You can also find this letter on our website at www.RoyalviewPTA.org.

Compass Challenge & Rewards Day

On May 5 & May 6, the Compass Challenge Rewards Day will be held for all grades in the school. The PTA has been busily finding great deals on toys and incentives to reward the kids for their hard work. Students have been challenged by Ms. Cantwell and Mr. Bender to work on Compass (starting February 1 – April 29) and earn tickets for the Chinese auction. For each hour students spend on Compass, the student will earn one ticket. A preview of some of the prizes was brought in during lunch time to get the kids excited. Prizes available include: Legos, Shopkins, Nerf toys, video game chairs, Kinetic sand, board games, book packages, gumball machines, robots, sports equipment, and more. An Amazon Fire HD tablet will also be available as the big prize for each grade for students who meet the minimum hours for their grade level. Minimum number of hours per grade level is: KG- 10 hours, 1st Grade- 15 hours, 2nd Grade- 20 hours, Grades 3-5- 25 hours. As monthly incentives, the PTA is giving away 1 USA Skates Birthday Party package to the student with the most hours in the whole school, 2 bowling coupons and an Applebees certificate to the top student per classroom. Keep encouraging those hours!
