

ROYALVIEW PTA VALENTINE'S DAY PARTY

Friday, February 14
2:00pm

ABOUT THE PARTY

The PTA sponsors this event and will be providing a drink box and treat for each student. We also supply the party bags for the treats that are generously donated by the families. Party preparations for each classroom are communicated from the teacher with the help of the assigned PTA Room Parent. Due to district policy there are only 3 volunteers allowed in each classroom (one being the PTA Room Parent). The 2 remaining volunteers are selected by the teacher. Also, please be aware if there are allergies in your child's class.

Please contact your child's teacher if you have questions regarding the party. Thank you for your generous contributions and help in making this a special day for our kids!!

TREAT BAGS

If able, please send in items for the treats bags for the students in your child's classroom.

- Examples include: stickers, pencils, small toys, bubbles, tattoos, holiday themed school supplies, individually pre-packaged snacks and candy.
- Use your imagination or ask your child.

The treat bags will be pre-assembled by the PTA Room Parent for the class. Please try to have your items turned in by before February 13 so they can be included in the bags before the party.

- Your PTA Room Parent is: _____
- Number of children in class: _____
