What is a PTA? The PTA is a parent teacher advocacy group who strives to support the teamwork between students, teachers, families and school. Royalview PTA is part of the Lake County Council PTA, Ohio PTA and National PTA organizations. These organizations work in conjunction with each other to lead a voice for all children, to be a relevant resource for families and communities and to be a strong advocate for the education and well-being of every child. - Help as little or as much as you want
- There is no required number of hours that you have to volunteer
- A background check is required for volunteers

PTA Services & Fundraisers
A complete list of events and dates can be found at www.royalviewpta.org. Here is a brief overview.

- Holiday Parties: The PTA sponsors two holiday parties, Halloween and Valentine's Day. Inside this packet you will find the form and details to help support the celebration of these holidays for each student. We encourage 100% support so that we may continue this service for our students.

- Room Parents: Each teacher has the opportunity to welcome Room Parents to help them plan the holiday parties. A Sign-up Genius will be emailed home, prior to the holiday parties, for parents to volunteer.

- Fundraisers: Fundraising is an important factor for the PTA as it allows us to help pay for things such as, field trip transportation, updated classroom technology, student rewards, daily activities, playground improvements, scholarships, teacher grants, and more.

- Events & Services: The PTA hosts many events throughout the school year including Skating Parties, Carnival, Santa Shop, Book Fair, and many more. The PTA also offers other services including, college scholarships, Camp Invention scholarships, health and safety related programs for children, and day-to-day support.
